Commenting on the Q1FY18 results, **Mr. Vikas Oberoi, Chairman & Managing Director, Oberoi Realty Limited** said, "At Oberoi Realty, we welcome the recently introduced unified tax structure, GST and are confident that it will truly strengthen the country's economy. As a company, we believe GST is a huge positive and have already started passing on the benefits to our existing and new customers. We also believe that implementation of RERA is an advantage for both developers and customers as it will bring in the much needed transparency and clarify the rights and obligations of the developers and buyers. We believe that we are well positioned to capitalise on the opportunities that will arise.

We view all compliances as necessary milestones for evolution and growth and are well-equipped to adapt to the new regulatory requirements. With the onset of RERA and GST, we are already witnessing an increase in customer confidence and an improved market sentiment. Our under-construction projects are proceeding as planned. Keeping in mind the positive market sentiment, consistent growth in the economy and an optimistic stock market, we expect this trend to stay."
