Therefore, the market share of reputed brands with strong executional capabilities will continue to grow. This places Oberoi Realty in an exceptional position to leverage our strong financial governance and deliver value to all our stakeholders.

We also have a robust pipeline of new launches with "first of a kind" design concept. These are specially created keeping in mind the new requirements of the homebuyer post the pandemic. We believe that despite the pandemic, Oberoi Realty is resilient to perform, progress and deliver excellence. We will continue to focus on customer centric designs, execution and delivery thus meeting all our commitments."
